

## ***HINETAIEA***

*By Te Iwa Makere Tamaki*

*Ko Hinetaiea koe.*

*Hinetaiea cloaks herself in the fabric of the universe, powerful and unabashed by her own glory.*

*Hinetaiea is the embodiment of our manifesting dreams, our desires, our wants and our needs. She is powerful – every little step she takes towards achieving something (small or big) is etched into her soul. She carves the lessons of her life across the night sky and rejoices when they shine to illuminate her path.*

*There is a whole universe of wāhine sending out good vibes- believe it! Confidence, dreaming, love, self-love, whānau and all other good things belong to you.*
