

# ***HINEHAKAHAKA***

*By Te Iwa Makere Tamaki*

*Ko Hinehakahaka koe.*

*Hinehakahaka dances and feels the vibe of her universe. Her power is nature, and her energy is forever renewed.*

*For every woman and girl that refuses to conform to the ideals of others. She hears the songs of her tipuna and celebrates them daily. Her nature is infinite for she has inherited the power of her kuia, so she doesn't have time for those that mess with her vibe. Instead, join her and discover your own beat to dance and sing to.*

*Hinehakahaka will always be your courageous guide, she is but a reflection of your true strength.*
