

HINEWAIKUA

By Te Iwa Makere Tamaki and Rawinia Rurehe Wano.

Ko Hinewairua koe.

*Hinewairua channels your inner tipua, we are the divine force
of energy, we are the oracle.*

*Hinewairua will ground you and manifest your inner strength
to face another day. She is the emergence of your mauri when
you feel all hope is gone, she is the meditated voice of
encouragement and most importantly the subtle reminder of
self-love. She will remind you of your importance, of your
place, when you need it the most.*

Hinewairua is rare, she is untouched, for she is sacred.

Ko au o koe, ko koe ko au, ko taua!
