

HINEPIRI

By Te Iwa Makere Tamaki

Ko Hinepiri koe.

*She astounds wherever she goes for she is always herself.
Wearing her crown of stars, she is free to illuminate the world.*

*Rejoice in the crown you were born with. Empress, goddess,
scholar and Queen.*

*There is nothing more dazzling than YOU. Be and love yourself
and love the same in others. Share with those who appreciate
your uniqueness and celebrate together.*
